

**From:** Bruce G Murray  
**To:** Microsoft ATR  
**Date:** 12/31/01 9:46pm  
**Subject:** Microsoft Settlement

Our family would like to see the Microsoft Settlement move ahead, beyond the 9 States who have already agreed. We are long-term residents of California and believe that California should agree to this same settlement so that Microsoft can focus on innovation and job creation, as opposed to the litigation of the past several years that primarily benefits attorneys.

Sincerely,  
Bruce Murray
